

**SS Peter & Paul Parish
School Renewal Capital Campaign**

**CAMPAIGN PROGRESS REPORT
February 29, 2008**

Campaign Leadership Enlistment Underway... Our SSPP School upgrading (renovation/expansion) project has finally evolved into the formal fund raising phase with the organization of our School Capital Campaign. The long awaited program will be led by long time parishioner Bob Horne who has agreed to serve as the Campaign General Chairperson. Assisting Bob will be a Campaign Cabinet comprised of Mona Brownfield, Ed Hoff, John Hoff, Jerry Quinlan and Bob Stoecklein who will collaborate in the further development of the campaign organization.

Campaign Office Established... A Campaign office has been established in the basement of the parish office and, in deference to the need for strict security, will be designated for Campaign business only for the duration of the appeal, which will conclude at the end of May. Cosgriff Company staff associate Don Nelligan is the Campaign Director who is responsible for the organization, administration and strategic planning for the program in cooperation with parish campaign volunteers. Chris Kempf has agreed to serve as Don's part-time administrative assistant. Campaign office phone number is 660-882-7923; E-Mail address is sspschoolcmpgn@socket.net.
