

**SS PETER & PAUL PARISH
ELEMENTARY SCHOOL RENEWAL CAMPAIGN**

**PROGRESS REPORT
March 7, 2008**

CAMPAIGN NAME... Within the narrative of our case for support for our elementary school renewal campaign is the following: “Just as we currently live the vision of previous generations of Boonville Catholics, we now are called to support the mission for those who will come after us.” In recognition of the long uninterrupted service and heritage of our SS Peter and Paul School to the Church, children and community, it has been decided to entitle our program Continuing the Vision Campaign.

VOLUNTEER STRUCTURE KEY... Our Continuing the Vision School Renewal Campaign has been very fortunate so far to have attracted a formidable volunteer leadership team. Their combined dedication, experience and support will be vital to our success. But these fine leaders cannot accomplish this very ambitious program by themselves. Therefore we ask that if approached to help in the further development of our campaign organization, please give the request your thoughtful and prayerful consideration.
