

SAINTS PETER & PAUL PARISH

“Continuing the Vision”

SCHOOL CAPITAL CAMPAIGN

CAMPAIGN PROGRESS REPORT

April 4, 2008

SCHOOL TOURS NEXT WEEK-END

As noted in last week's update, guided tours related to the SSPP School renovation, upgrade and expansion will be conducted after all Masses next week-end, April 12 & 13. Refreshments will be served. Please urge your fellow parish friends to attend. It's rather ironic that within the parish a significant number have never physically seen the distressed and/or constrained areas that have impeded school operations for so long.

QUESTIONS AND ANSWERS IN THIS WEEK'S BULLETIN

The Campaign Question and Answer piece developed for the program will be inserted in all this week-ends' Parish bulletins. Plans also call for this item to be incorporated in our SSPP School's Web site.

F Y I

Incidentally, the Campaign booklet or brochure should not be considered just a “hand-out” for indiscriminate distribution. Thanks to the professional talents of Pat Hanna, our “Continuing the Vision” brochure is designed to serve as a vital implement to our objective to physically visit with each parish family and verbally explain or present our case for support. The visit is enhanced through the utilization of this brochure in terms of construction phases, floor plans and giving guidelines. Plans also call for every parish family, as well as SSPP School alumni, to receive the brochure in concert with each campaign solicitation phase.

PACESETTERS TOP \$500,000

Momentum continues to build as our Pacesetter volunteers have secured \$ 553,000 from 15 donors toward this campaign section's goal of \$ 1,500,000 as led by Butch Friedrich. Personal visits on the remaining 50 Pacesetter prospects will continue through mid April.
