

SAINTS PETER & PAUL PARISH

“Continuing the Vision”

SCHOOL CAPITAL CAMPAIGN

CAMPAIGN PROGRESS REPORT

April 18, 2008

CAMPAIGN TOTALS PASS \$765,000 MARK

With a significant number of Pacesetter prospects yet to be visited and/or called back on, our SSPP School Capital Campaign totals have reached \$765,500 from 35 donors, as reported this past week, of which \$125,000 has been paid. With the second solicitation phase (Major Gifts) underway as of this past Wednesday, the momentum continues to build. Any of you not already working in the Pacesetter or Major Gift Sections who have already made your financial commitment and want to help Lori Imhoff and Eddie Hoff in the General Parish Family phase starting May 1, PLEASE CONTACT DON NELLIGAN at the Campaign Office (882-7923).

BULLETIN TO INCLUDE “AREAS OF DISTRESS”

Thanks to the fine organization skills of Karla Lang and Julie Soener (and unique cinnamon rolls provided by Doris Kempf), last weekend's school tours attracted a significant number of parishioners who were guided around those areas of the school in most distress. Supplementing the tour was a written “laundry list” of those areas of distress and the potential consequences if not urgently addressed. A copy of said narrative is included in this weekend's bulletins and we urge you to read it thoroughly.

DAILY NEWS INTERVIEW

An interview with Father Bob has been scheduled by Theresa Krebs of the Boonville Daily News which should appear within a few days hence.
