

Saints Peter & Paul Catholic School

Friday Newsletter *August 23, 2013*

Innisbrook Fundraising: Wrapping paper sales are almost here! Please check your child's Friday Folder for more details about what's to come. The fundraiser will run from August 30th – September 17th. They have great wrapping paper and gift bag designs, gift items, food items, and chocolate. Packets will be sent home next Friday just in time for the long weekend.

First School Mass: The first official school Mass of the year that we celebrated together Wednesday went very well! (Last Thursday was for the Holy Day of Obligation) The student council officers did an excellent job of putting it together. Please join us as much as possible to show the children that your own faith life is active and important to you and that you support them as they grow in their faith life. We celebrate together every Wednesday and Friday morning at 8:15 a.m.

Landscaping Project: The school wishes to express deep appreciation to Mike Lang, Joe Herzog, Ron Rapp, Dale Wassmann, Donnie Wilmsmeyer, Jacob Rapp and MFA, Inc. for hauling topsoil, spreading it, and seeding and strawing the slopes around the parking lot. Everything was donated and these gentlemen took two days of time to get the project completed, saving thousands of dollars for the school.

From the Kitchen: The school would welcome any donations of fresh produce that you might have available. It is always very much appreciated and is always put to good use! There is always room on the salad bar for a variety of different offerings. You can call the school or just drop donations off at the kitchen!

The cafeteria has already received home-grown tomatoes and it looks like there will be fresh sweet corn and watermelon on the way!

Pick up and Drop off Procedures: It appears to all be going well but please exercise patience and extreme caution, especially in the afternoon. Student pick-up, except for those being met inside the building, is on the playground lot. Vehicles need to pull all the way forward to the exit drive so as many cars as possible can be loaded at the same time and a line in the street can be avoided. When meeting your child at the school doors, **please use the west steps when returning to your vehicle** and not the south steps and across the playground lot. It is very difficult for the school to hold students to the procedures when parents are not setting the example.

Unless attending morning extended care, students are NOT to be dropped off prior to 7:30. Children dropped off and left unattended will be sent to extended care and the appropriate fees will be charged to parents.

Forming Disciples of Jesus Christ

From the Library: Where did everyone go this summer? It is time to find out. Please turn in summer reading maps and journals by Friday, August 30. Then we can see where everyone went on the map in the hallway next to the library. Let's see where reading has taken us if only in our imaginations!

Ss. Peter & Paul BBQ: Thank you to everyone who attended and helped at the BBQ last Sunday! It appears to have been a very successful event. Final totals aren't in yet but when they are, they will be passed along. Thanks to Medical Arts Pharmacy and Terry Smith, as well as all the other sponsors, for making this such a successful event!

Face book Page: With the help of Nancy Windsor, the school has been able to create a better Face book presence. The new page is way more successful than the previous one. The school is also working on a revamped website.

Cantor Choir: Mrs. Burnett would like to invite students in grades 4-8 to participate in the Cantor Choir again this year. Cantor Choir students lead the singing at one Saturday evening Mass each month during the school year and at other special activities. This is an excellent opportunity to give back to the parish for all they do for our school. The choir is very well received by the parish. We have FUN too! Please contact Mrs. Burnett to sign up or if you have questions, either at the school or through email (lburnett@ssppschoo.net). Please encourage your child to become a member of this group!

Student/Parent Handbook: The handbook is not automatically being sent home. It is available on-line at the school's website www.ssppschoo.net. If you need a printed copy, you may request one from the school. Please make sure to review and then **sign, date and return the acknowledgement form** that was in the "Back to School" packet.

Free/Reduced Lunch and Breakfast: Please be sure to complete the forms and return them to the school office. In addition to helping out a family, it greatly helps the school. The school receives \$2.76 for each meal served to students participating in the program. Reduced meals cost only \$0.40. Please check the table below to see where your family falls:
